-> After browsing this newsgroup I recognize that this isnt the 'right'  
-> but some of the postings made me think that the readers of this group  
-> know where I can look.  
->  
-> I would like to ask a few questions about Cellular telephone 'service

-> Basically I want to be better informed about how the phones work and  
-> the service providers really do.  
->  
-> Thank you.  
-> Stuart  
->

Stuart,  
E-Mail me directly and you can ask me some questions...

In article <452@ted.win.net>, mjsilva@ted.win.net (Michael Silva) writes:  
>In the past a  
>General or equivalent has always been the minimum permanent license  
>(and even that used to require proof of activity to renew).

Not true--at least not in the recent past prior to the present-day  
Technician class. Don't forget Novice and Technician class licenses  
were permanent before 1990, and General and higher classes have not required  
proof of activity to renew for some time.
